How to access electronic resources off-campus

1. Go directly to the MY JU portal at MY.JU.EDU

2. Enter in your JU username and password. This is the same username and password you use for your JU email, Blackboard, Web Advisor, etc. If you forgot or need to reset your password, select forgot password to the right of the login button.

3. Once you are logged in the myJU portal, expand applications and select the library link.

That’s it! You are redirected to the library page and have access!
(For nursing students, select the Nursing Subject guide to find the databases.)
